

# *AYR Motor Centre*

## COVID-19 OPERATIONAL PLAN

### AQUATIC FACILITY – PRIVATE RENTAL

**FALL 2020**

The AYR Motor Centre will continue to follow the Provincial State of Emergency, the Provincial Recovery Plan, and the guidance and direction of the Office of the Chief Medical Officer of Health (CMOH) as its recreation facilities are opened during the COVID-19 pandemic.

In addition to the requirements set out below, all users/groups must be familiar with, and in compliance with all of the most recent relevant requirements outlined by the Province of New Brunswick and that of the Provincial Sport Organization (if applicable)

AYR Motor Staff must be respected at all times, and in regards to the enforcement of the terms and conditions set out within this document. Any abuse or disrespect towards staff, volunteers, other patrons etc. will not be tolerated.

- The Private Rental group shall have one representative. This person is required to record the list of names of each person included in the rental time. This information will be made available to the Facility Manager and Public Health, if requested for up to 21 days.
- Each person is required to wash their hands or sanitize upon entering the facility.
- A facemask must be worn in all public areas in the facility, including lobby, hallways, washrooms, etc. and where social distancing is not possible.
- Each person will leave their outdoor footwear in the storage boxes provided.
- Each person will arrive with swim attire on and ready to go onto the deck to begin their lesson.
- Each person will Enter onto the deck through the side Lobby area.
- Each person will be given an area on deck to store their personal belongings.
- A washroom will be available in the Family Changing Room.
- Changing rooms will be made available at the end of the swim time.
- Each person will Exit through the side door off of the Lobby.
- Parents/Guardians are permitted to watch from the deck or mezzanine area and must wear a facemask.

**Thank-you for your cooperation to help us provide  
a safe and healthy environment for all of us.**
