Liddle Skiddle Club is a Designated New Brunswick Early Learning Centre!

This is a provincial initiative in the childcare sector and it will ensure that families will benefit from affordable, accessible, inclusive and high quality early learning and childcare services. Parents and guardians that have children attending a designated centre may benefit from the **Designated Centre Parent Subsidy**. This will assist families with financial support to help pay the costs of early learning childcare.

The Parent Subsidy Results in two outcomes:

1) No family in New Brunswick will pay more than 20% of their gross annual family income to cover childcare costs while their child is attending an early learning centre. This increases support for families with multiple children under five years of age.

2) Free daycare for preschool aged children for families with a gross annual income under $37,000 attending a New Brunswick early learning centre, regardless of location and fee charged by the operator.

For more information, visit www.gnb.ca/earlyNB and you can access the Parent Portal and check the Parent Subsidy Estimator to see if you may be eligible.

Full-time Liddle Skiddle Participants have priority in transitioning to the After School Skiddle Club Program after being enrolled for one full year.
