

COVID-19
AYR Motor Centre
Arena OPERATIONAL PLAN

Town of Woodstock

Updated November 27, 2020
Orange Phase

INTRODUCTION

The Town of Woodstock will continue to follow the Provincial State of Emergency, the Provincial Recovery Plan, and the guidance and direction of the Office of the Chief Medical Officer of Health (CMOH) as its recreation facilities are opened during the COVID-19 pandemic.

The current phase of this plan (Phase 1) will allow some activity to return to the AYR Motor Centre Arena. A screening process is required for the arena given the likelihood more than 50 persons will be in the facility at the same time. Physical distancing measures of 2 metres will be required as per and unless exempted as per CMOH guidelines. Traffic flow and disinfecting measures will be implemented. The Town will limit access to areas of the facility either due to inability to ensure physical distancing, as per the Provincial Order, or to manage the facility with limited resources in the face of added requirements in response to COVID-19.

Future phases of this Operational Plan will also follow the Provincial State of Emergency, the Provincial Recovery Plan, and the guidance and direction of the Office of the Chief Medical Officer of Health as these change and will change at the discretion of the Town of Woodstock.

ON ICE MEASURES

Each group on the ice shall be represented by an organization or oversight agency with an Operational Plan that the group on the ice is expected to follow. These plans shall follow the guidance of the Office of the Chief Medical Officer of Health. Operational Plans shall be provided to the AYR Motor Centre Manager (Kelly Foster-Hallett) prior to on ice activities and must adhere to the requirements in the Town's Operational Plan.

The current Provincial Mandatory Order allows sports to be played when done in compliance with the Chief Medical Officer of Health guidelines. It is recognized that when sports are played that 2 metres may not always be maintained between participants. As per the requirements of the Chief Medical Officer of Health, a risk mitigation plan must be developed by the group on the ice. Exemptions to physical distancing requirements as per the Provincial Order.

OFF ICE MEASURES
