All household waste must be at roadside by 7 am. Roadside means no more than two metres from the point where the driveway of a residence intersects a highway, road or lane. **ALL** household must be properly bundled, bagged or boxed to prevent scattering and foraging by animals. **NO** bundle, bag or box shall exceed 23 kg in weight or exceed 1.2 m x 0.6 m x 0.6 m. **ONLY** household waste accepted by the landfill site will be collected.

SPECIAL COLLECTION DATES:

Special collection days are on your regular collection days. Special collection is for the collection of “white goods” (i.e. appliances such as freezers, dishwashers, fridges, stoves, air conditioners, microwave ovens, etc...) acceptable to the Solid Water Commission (max 3 items per household) and for collection of furniture and other large household goods.

Non-accepted waste during regular or special collection

- NO ashes, rock, sand, gravel
- NO petroleum products
- NO radioactive or hazardous waste
- NO manure
- No motorized vehicle or any part of such vehicles

Storm Days: In the event of a storm, your household waste will be collected the same day.

Holidays: If your regular collection day falls on any holiday in 2010, your collection day will stay the same.
