**DRIVER Hired by AMC:**

*Seat Belt Regulation (83-163) under the Motor Vehicle Act requires that drivers ensure all children in their vehicle are properly secured in a child seat until the child reaches: nine (9) years of age; 36 kilograms (79 lbs) in weight; or 145 centimetres (57 inches) in height. When these criteria have been met by the child, the driver will no longer be required to ensure that the child is occupying and properly secured in a child restraint system. A seat belt only is required for the child at that time.*
