Dear Parents,

From time to time, we would like the opportunity to photograph your child(ren) for activities within the centre. These photos will be used for activities, crafts, documentation, and a private Facebook page. Pictures may also be used for promoting different events of the Ayr Motor Centre and advertising programs and other activities at the Ayr Motor Centre. If you have any questions, please feel free to come talk with Skiddle Club staff.

I give permission to the Afterschool Skiddle Club to photograph my child(ren) \_\_\_\_\_ . I understand these photos will be used only for the purpose of documenting classroom activities and promoting the Ayr Motor Centre's programs and events.
